EN

Wonderlight is a brand with a new concept in lighting and interior decoration of hand crafted items. We specialise in transforming ideas into original decorative art designs.

We strive to give our clients the possibility of achieving design solutions, to transform their creative ideas into personalized unique lighting and decorative item solutions.

Our artisans and craftsmen are experts at working with brass, copper and stainless steel, giving these metals different types of finishes as desired.

Our lampshades atelier specializes in providing custom design pieces applying the covering materials to the client's choice, including client supplied specific fabric types as required.
